

PARISH NEWS

The Servants of the Lord and the Virgin of Matará (www.servidoras.org or www.ssvmissions.org), a missionary Institute of religious sisters, are happy to be given the opportunity to speak at Our Lady of Lourdes for the **Mission Appeal this weekend.**

From our beginnings in San Rafael, Argentina in 1988 we have grown to over 1200 sisters missioning in almost 40 different countries throughout the world. We strive to go where the presence of religious sisters is most needed. Although we are an international community, we have been blessed with many vocations from the United States a bit over 100 at present. This appeal allows us to inform the members of your parish about our mission work in Papua New Guinea. As you may imagine, our missions in places like Papua New Guinea are in great need of support. The sisters work with children and poor families in human and religious development, specifically providing medical care, educating in hygiene. They also have a home for girls that currently houses and provides for all of the needs of about 25 girls. As you may know, Papua is not economically stable at present. For this reason missionaries do not receive much help from the local people who very often themselves lack even basic necessities. Thank you, Father Rock, for giving us this opportunity to speak at Our Lady of Lourdes and share with you about our mission in Papua. As we daily strive to help those in need, we are most grateful to all of you for your prayers, contributions and generosity, truly a grace from God and a consolation for our missionary sisters. Please be assured of our prayers for all of you as well! *And please, be generous in today's special collection.*
