

HURRICANE HARVEY

The devastation of what has happened in Texas is quite shocking in the magnitude of the destruction of whole communities. Catholic Charities USA and the Church has, as they always do, stepped up to help bring aid to those in need. The Bishops of the United States have asked all of the parishes in our country to do special collections and accept donations for this relief effort. If you are able to help in any way with a monetary gift please put it in an enveloped marked HURRICANE RELIEF and drop it in the basket or mail to the office. We will be collecting from now until September 18. Thank you.
